O R D E R:

According to item 8 E. of Appendix 15 of the Madras Financial Code, Vol. II, the Director of Veterniary Services may incur expenditure up to a maximum of Rs.400/- in a year, in connection with the exhibitions held in this province - the Director has now reported that on account of the limited amount available for exhibition purposes, it has not been possible for his Department, to take full advantage of the Industrial and Agriculture shows and Exhibitions held in the province, and that if the amount is increased, exhibition stalls could be arranged in a more attractive manner resulting in a - wider publicity of the activities of the Department. He has therefore proposed that the maximum amount of Rs.400/- allowed to him for exhibition in a year may be increased to Rs.1000/- The Government accept the proposal and direct that the maximum amount of expenditure allowed to the Director of Verterinary Services, for exhibitions in a year be increased from Rs.400/- to Rs.1000/-.
